

## **Twentynine Palms Public Cemetery District Fee Schedule**

Immediate Interments are required to be paid in full, prior to the burial.

The option of a Payment Plan for a "Pre-Need" contract is available for up to 24 months, with no financing fees. If a Payment Plan is chosen, consistent payments must be made. If no Payments are received up to a (1) One year period, the contract will be terminated by the District and any funds collected will be returned to the client, minus the Endowment Fee and the Reconveyance fee of \$100.00.

If, at the time of death, the deceased did not live in or own property within the Cemetery's district lines, a "Non-Resident" fee of 15% of the total cost will be added per CA Health and Safety Code 9068B.

### **Endowment fees are per occupant and are Non-Refundable.**
